

THE VENDOME GUIDE TO GOOD FOOD & DRINKS IN COLOGNE

Bars:

> *While we would complain about the lack of good restaurants in Cologne, we certainly can't complain about the variety of bars. Cologne boasts some of Germany's best bars, some even world class. Cheers!*

- **Seiberts** > probably the best bar in Germany. Voted even as one of the world's best bars, Volker Seibert's little hideaway offers some of the most work intense drinks we have seen. If there were Michelin stars for bars, Volker Seibert had three. The little terrace is the best spot to enjoy a drink in summer, and is heated in winter. If you go on a Tuesday, you might find one of us lounging in the beautiful 1960's chairs enjoying one of his famous truffle sazeracs.

- **Shepard's** > intimate but cosy little bar with excellent service in the heart of the Rathenauplatz. No food is served here but the most addictive potato crisps we have ever had the pleasure of eating. Voted Shepard's still impresses with perfectly
